EXPERIENCE

School Counselor

Miami, FL

iPreparatory Academy – AUGUST 2016 - JUNE 2021

Group counseling – Using data to identify students, I conducted groups on various topics including grief, friendship, impulse control, study skills, self-esteem, and resilience. I mostly used bibliotherapy and play therapy techniques, such as sensory activities, dolls/animals, and board games.

Classroom guidance – Implemented Values Matter Miami district initiative and created lessons based on classroom and schoolwide data. I used technology to conduct NearPod lessons and created my own lessons.

Individual counseling – Provided counseling for any student in need, including: crisis, IEP/504, academic concerns, career development, conflict resolution, emotion regulation, and much more. I created my own method of data collection for each session to keep track of the types of counseling so I could plan my classroom guidance and groups accordingly.

ASRC Federal

Remote

Administrative Aide – JANUARY 2009 - JUNE 2010

I assisted with the shareholder outreach programs, data entry, designed and wrote newsletters, assisted with the shareholder interns in Greenbelt, MD, and assisted the training coordinator for the ASRC Federal contractors at Kennedy Space Center.

Starbucks Coffee Co.

Florida

Shift Supervisor – 2007 - 2015

I oversaw the baristas and ensured the customers were given the utmost excellent service. I maintained the safe and cash registers, completed inventory duties, organized and cleaned for safety and efficiency, and completed opening and closing duties.
